

It's about time.

It's about time for you to start thinking about your future — because your TAFDC benefits may soon be a thing of the past.

It's about time to take the steps needed to make your future bright. The Employment Assistance Services (EAS) program will help you take those first **steps** on the road to employment. To a job that will make your future bright — and financially secure.

Ask to talk to the Employment Assistance Services staff at your nearest One-Stop Career Center or Department of Transitional Assistance office.
